**Participants of the 20th International
Oil & Gas Industry Forum
“Oil and Gas – 2017”**

Dear Colleagues,

On behalf of the Organizers, let me express you my gratitude for your participation in the **20th International Oil and Gas Industry Forum “Oil and Gas – 2017”** held on 24-26 October 2017 in Kyiv.

The main purpose of this representative event is to facilitate the implementation of the primary objectives of the reform of Ukrainian oil and gas industry and to ensure its openness and integration into a unified European space. Therefore, it was extremely important for us, under current conditions, to hold the Forum **“Oil and Gas – 2017”**.

The exhibition and the conference held within the framework of this year’s Forum provided a unique opportunity to present to general public the strategy of further development of Naftogaz, the state of the natural gas market liberalization in Ukraine.

This has been made possible with the Forum participants and particularly with your support. We hope that the event has met your expectations as well.

We highly appreciate your trust and will continue striving to make every effort to ensure that the **International Oil and Gas Industry Forum “Oil and Gas”** would become a driver of honest market relations and a platform for the development of international cooperation.

I am confident that the results of our cooperation will guarantee successful development of the fuel and energy sector as the basis of the state economy with the goal to achieve energy independence of Ukraine.

Please accept our sincere appreciation and best wishes of success, peace and prosperity!

Hope to meet you next year at the **Forum “Oil and Gas – 2018”**

Sincerely,

Andriy Kobolyev
